

Patronage Opportunities

Sm@rtNets 2022

Nov 29th – Dec 1st, 2022
Palapye - Botswana

About

The Botswana International University of Science and Technology is hosting the International Conference on Smart Applications, Communications and Networking, from November 29th to Dec. 1st, 2022, in Palapye – Botswana.

SmartNets 2022 will feature scientific papers presented in eleven parallel tracks focusing on 5G/6G Technologies, Communications and Networking, Artificial Intelligence and Machine Learning, Data Analytics, Security and Privacy, Smart applications, Smart Cities and IoT.

Invited top-level speakers that are being at the technical leading edge, will present fascinating and informative talks on New Generation applications and current 5G/6G interests.

SmartNets 2022 will be an industry-centered event featuring various tracks focusing on Hardware & Wireless, Network & Cloud, Smart Cities as well as on Tactile Internet Applications.

SmartNets 2022 also offers exhibitors an outstanding opportunity to showcase their products and applications to a vibrant and engaged audience and provides an ideal platform to reach hundreds of key decision makers involved in News Technologies.

We would be delighted to welcome you in Palapye as a member of our patronage team.
