JAMES MADISON UNIVERSITY

About

The James Madison University is hosting the International Conference on Smart Applications, Communications and Networking, from May 28th to 30th, 2024, in Harrisonburg – Virginia, USA.

SmartNets 2024 will feature scientific papers presented in eleven parallel tracks focusing on 5G/6G Technologies, Communications and Networking, Artificial Intelligence and Machine Learning, Data Analytics, Security and Privacy, Smart applications, Smart Cities and IoE.

Invited top-level speakers that are being at the technical leading edge, will present fascinating and informative talks on New Generation applications and current 5G/6G interests.

SmartNets 2024 will be an industry-centered event featuring various tracks focusing on Hardware & Wireless, Network & Cloud, Smart Cities as well as on Tactile Internet Applications.

SmartNets 2024 also offers exhibitors an outstanding opportunity to showcase their products and applications to a vibrant and engaged audience and provides an ideal platform to reach hundreds of key decision makers involved in News Technologies.

We would be delighted to welcome you in SmartNets 2024 as a member of our patronage team.

To arrange your individual sponsoring package, please contact:
